

Draw and rider notes

- It is all systems go for the event on the weekend!
- There is plenty of power for camping.
- Please see attached map of the venue to see where the camping areas are.
- There are areas for camping only - no horses are to be in this area.
- Those who have paid for yards, Carly will be in touch with you with your allocations
- Ice will be available for Sunday delivery (\$5 a bag) - pre order on Saturday.
- All jumping phases are in numerical order. If you are in the EvA80 and 95 classes - make sure you check your draw to see what number you are following
- Please follow numerical order for jumping - it makes the day run much more smoothly. If you have multiple horses to ride, please ride as close to number order as possible - the draw has been created with this in mind. Day light is limited at this time of year so we do not have time to wait for riders.
- The EvA45 XC is running on Sunday morning - at the same time as the EvA80 class. There is a fenced off area for the EvA45 to the left of the access road.
- Dogs are permitted at the venue.
- All scratchings to gundagaiht@gmail.com
- Keep an eye on the Facebook page for more witty Jimisms. And the website: www.gundagaihorsetrials.wordpress.com
- Bring warm clothes for you and your equine partner - it can get chilly at night.
- Rider reps will be announced soon - they are your go to people when you have questions regarding the competition (also come to the secretary's office - we won't bite!)
- The pony club are running a canteen - so don't forget to support them - they will be opening early Saturday and Sunday.
